

Dear

This year I have the opportunity to work with 50 of my classmates and a local non-profit organization called Global Leaders (GL). This program is a 9 month leadership and service-learning organization for high school students. The culmination of this year-long program is a two week journey to Guatemala to continue participating in service-learning, language study and cultural exchange. I am really excited and can't wait for this incredible opportunity. **I am writing this letter to ask you for financial support to help us fund our local service projects and provide financial assistance for my classmates.**

Let me share some background information on GL. The founders saw a need to get students out of the classroom and into the world, learning and participating in meaningful service learning projects. Since 1997, GL has brought students of diverse racial, economic, and ethnic backgrounds together to participate in extraordinary educational programs in Fort Collins and in Central America. The program combines service learning projects with the opportunity for international travel and Spanish language study. Students traveling abroad will choose from one of three service-learning projects to work on: clean cookstove installation, reforestation, and supporting small coffee farmers around San Miguel Escobar, Guatemala.

This year, I am volunteering in Fort Collins with a variety of nonprofits. We work with Putnam and Lopez Elementary Schools, Respite Care, OtterCares, A Little Help, Kids After School Time (working with homeless youth), Shire Farms, among other local non-profits. The average number of hours each student volunteers in our community is **70 hours**.

**Once again, I hope that you can find a way to make a tax-deductible donation to help fund one of our projects or assist with scholarships for my classmates.** Our group's **goal is to raise \$40,000** from this letter campaign. This year we will fund our local and international service programs, projects and scholarships for students with financial needs. In 2023, GL's students raised over \$29,000 through our letter campaign.
