Dear

This year I am participating in a 9-month leadership development and service learning program. I am really excited and can't wait for this incredible opportunity. **I am writing this letter to ask you for financial support to help us fund our local service projects and or provide financial assistance for my classmates.** I also want you to know I will be working really hard through other fundraisers as well to make this happen!

Let me share some background information on Global Leaders. The founders saw a need to get students out of the classroom and into the world, learning and participating in meaningful service learning projects. With that, GL's (then known as Global Visionaries) program began. Since 1997, GL has brought students of diverse racial, economic and ethnic backgrounds together to participate in extraordinary educational programs at home in Fort Collins and in Central America, combining service learning projects with the opportunity for international travel and Spanish language study.

This year, I am volunteering in Fort Collins at a variety of service learning projects. We are working with Putnam and Lopez Elementary Schools in a Mentoring Program designed by the Putnam staff and former Global Leaders students, volunteering hours at Respite Care, Shire Farms, Kids After School Program (working with homeless youth), La Familia, and more. The average number of hours each student volunteers to our community is **70 hours. We have over 45 students in GL in 2021.**

Locally

40+ elementary kids mentored annually

70 service hours/student

75 families fed monthly through GL Food Pantry

Community partners: La Familia, The Growing Project, Larimer Co Food Bank, Environmental Learning Center, Habitat for Humanity

Internationally

40 Clean and efficient cook stoves installed

35,600 trees planted

24 service hours/student

15 Single family homes built

38 School rooms built

Once again, I hope that you can find a way to make a tax-deductible donation to help me take this once-in-a-lifetime leadership journey. Our group's **goal is to raise \$35,750** from this letter campaign. This year we will fund our local and international service programs, projects and scholarships for students with financial needs. In 2019, GL's students raised \$32,450 through our letter campaign.

Global Leaders is a non-profit organization and donations are tax-deductible (please consult with your accountant for more information).

Please consider your contribution an investment. You're not only supporting great service projects locally and in Guatemala; **you're supporting me on my leadership journey, as I develop the skills I need to help me make positive change in my community and abroad.**

Checks can be made out to "Global Leaders" and mailed in the stamped envelope I have provided. Please detach the donation form below and include it in your envelope. I am so grateful for your time and hope you are able to sponsor my endeavors.
